In a quiet, safe, beautiful Bosphorus district, this special building, overlooking Emirgan's unique grove and Bosphorus view, is built on a 556-square-meter plot. On the bottom floor of the 6-storey building, a section of approximately 100 square meters with garden use is suitable as a common area, and it also has a warehouse and a shelter. The building consists of 8 apartments, 2 apartments on each floor, and a 9th independent section with a terrace converted from a tenement floor to a full floor on the top floor. The building has an approximately 150 square meters base, and 4 floors have a gross area of approximately 190 square meters. Although all the documents related to ...
